

Scottish Carbon Accounting Events 2011

The Initiative for Carbon Accounting is organising a series of free workshops and conferences on carbon accounting for a wide range of sectors. Academics, consultants, policy makers and members of the public will be coming together in Scotland to develop their understanding of this rapidly advancing field.

Carbon Accounting Workshop Dates

Grid Carbon Intensity June 13	Public Sector Sept 21
Freight and Logistics June 20	Forestry Sept 28
Finance August 11	Tourism Oct 5
Waste August 24	ICT Oct 12
